

2020-2021 SIBA COMMITTEE FUNCTIONS

EDUCATION COMMITTEE

FUNCTION: Assistance in the progress of the Construction Management Technology Program at the junior college level. Advancement after employment. Continuing educational programs of employee training at all levels. Provide training for present employees through a variety of short courses, lunch and learns, workshops, seminars and formal certificate programs. Participate in the selection of SIBA scholarship recipients annually. Work with construction-oriented curricula at universities and colleges.

MEMBERSHIP/MARKETING COMMITTEE

FUNCTION: To provide assistance, direction and goals to ensure the orderly growth of membership. To review the promotional methods, materials and membership activities which would be of value in membership development. Assist in the recruitment of prospective members that are actively engaged in construction within the jurisdiction of the Association.

SAFETY/CRIME PREVENTION COMMITTEE

FUNCTION: To develop and maintain the Association's accident prevention program. Develop safety training programs and promote safety education. Develop an effective safety program to ensure that all members are "safety conscious" and informed of all Federal, State and local safety standards including updates to the standards. Assist in the development of toolbox talks. Cooperate with local and national law enforcement agencies to reduce theft and vandalism and make recommendations for eliminating vandalism and other criminal acts affecting the industry.

METRO GOLF OUTING COMMITTEE

FUNCTION: To serve as a sounding board for the annual Metro Golf outing and make recommendations on the various details relating to the outing. Assist in recruitment of sponsors and players. Review and advise as to rules of play.

SOUTHERN ILLINOIS EVENTS COMMITTEE

FUNCTION: To serve as a sounding board for the annual Southern Illinois Golf outing and make recommendations on the various details relating to the outing. Assist in recruitment of sponsors and players. Review and advise as to rules of play.

SHOOTING EVENT COMMITTEE

FUNCTION: To serve as a sounding board for the annual shooting event and make recommendations on the various details relating to the outing. Assist in recruitment of sponsors and shooters. Review and advise as to rules of play.

ELECTRONIC INFORMATION

FUNCTION: Advise and assist staff in the implementation of the Association's Electronic Information System. Make recommendations relating to the SIBA Online Planroom and SIBA Website.

LEGISLATIVE COMMITTEE / NETWORK

FUNCTION: To analyze and plan activities concerning Legislative Developments as well as those issues concerning insurance in Illinois and consider its probable effects on the contractor member, the industry and the public. Maintain close communication with other contractor groups to properly coordinate such efforts.

LEADERSHIP DEVELOPMENT COUNCIL

FUNCTION: To provide opportunities that promote the active involvement of the association's emerging leadership in the construction industry and the SIBA community. The Council strives to empower members to interact and exchange ideas, build strong personal and business relationships within the industry, and boost awareness and input for the services, support and networking provided to SIBA members now and in the future.
